PROFESSIONAL EXPERIENCE

UX Design Manager / Squad UX Lead

Mar 2022 – Present

Accenture Philippines · Embedded: Major Philippine Universal Bank (Confidential)

Led end-to-end UX strategy and execution for the bank's digital retail and payments platforms across a continuous delivery pipeline.

- **Squad Leadership & Agile Delivery:** Led 5 concurrent cross-functional Agile/Scrum squads delivering enterprise-grade digital banking products — eKYC onboarding and unified payments hub.
- **Digital Onboarding:** Redesigned end-to-end account opening flow from branch-first to fully digital — significantly reducing completion time, improving first-attempt success rates, and decreasing drop-off within 90 days of launch.
- **Payments & Transfers:** Unified fragmented payment touchpoints into a single, intuitive hub — substantially reducing transaction error rates, customer support volume, and associated operational costs.
- **Design System:** Spearheaded the evolution of an enterprise-wide Design System with reusable component libraries, significantly reducing design-to-development handoff time across all product squads.
- **Enterprise Alignment:** Aligned all digital initiatives with BSP regulatory standards, security, compliance, brand governance, and WCAG 2.1 AA accessibility requirements.
- **Team Mentorship:** Built and mentored high-performing UX teams, fostering a culture of evidence-based design and continuous professional growth.

User Experience Design Manager

Nov 2020 – Nov 2021

Ernst & Young (EY) Global Consulting · Philippines

Led digital design strategy for major enterprise banking accounts, serving as primary client interface for global engagements.

- **Strategic Client Leadership:** Served as primary UX contact for major global banking engagements; integrated strategic design vision into measurable delivery outcomes.
- **Enterprise Banking Transformation:** Led cross-functional teams on complex banking digitisation projects, ensuring alignment with international banking standards and regulatory requirements.
- **Team Development:** Mentored UX and Visual Design teams, establishing standards of excellence, quality frameworks, and continuous improvement practices.
- **Business Development:** Identified new opportunities and contributed to revenue growth by scoping and authoring proposals for future client engagements.

UX/UI Lead

Dec 2019 – Nov 2020

IBM · American Technology Company · AI Platform Teams · Wealth

Led UX for enterprise AI platform products using Enterprise Design Thinking; partnered with product and engineering on complex B2B and wealth experiences.

- ▶ **Mobile-First UITF Investment Platform:** Drove progressive-disclosure investment UX that grew new UITF investors by 142% YoY and generated ₱2.1B in new AUM within six months; reframed mandatory BSP CSA from a 12-question form into a 5-step guided conversation.
- ▶ **AI & Cloud UX:** Designed user experiences for AI and cloud platform products, translating complex technical capabilities into intuitive enterprise interfaces.
- ▶ **Research-Based Design:** Conducted user research sessions and presented evidence-based design concepts to executive leadership; established organisational design standards.
- ▶ **Design Development:** Produced wireframes, user flows, and high-fidelity prototypes aligned with cross-functional engineering teams; facilitated design workshops and playbacks with enterprise stakeholders.

Consultant, UX Technical Lead

Aug 2019 – Dec 2019

Mantu – Amaris Consulting

- ▶ Delivered UX consultancy and technical design leadership for client digital transformation engagements.

Senior Lead UX/UI Designer

Feb 2017 – Aug 2019

Stratpoint Technologies, Inc.

- ▶ **Team Leadership:** Led the UI/UX Design Team; managed resource allocation, quality initiatives, and team efficiency across multiple product streams.
- ▶ **Design Development:** Delivered end-to-end design across fintech, e-commerce, and enterprise SaaS platforms — wireframes through high-fidelity production assets.

Creative Director (UX/UI) / Design Lead

Jun 2009 – Feb 2016

TwistResources, Inc.

- ▶ Led UX/UI and creative direction across digital products spanning FinTech, e-commerce, media, and professional networking verticals.
- ▶ Established design processes, visual identity systems, and reusable component standards for cross-functional product teams.

Earlier Career — iCanvasMedia (Creative Director, 2001–2008) · Cyber City Teleservices (Senior Web Designer, 1999–2001) · AOL Member Services Philippines (Tech Consultant, 1997–1999)

KEY ACHIEVEMENTS

- ▶ Scaled and led multiple concurrent cross-functional Agile squads, delivering enterprise-grade digital banking products across onboarding and payments domains in a continuous delivery model.
- ▶ Led the complete digitisation of retail banking user experiences for a major financial institution, significantly expanding digital customer reach and self-service adoption.
- ▶ Redesigned a fragmented payments experience into a unified hub, substantially reducing transaction error rates, customer support volume, and associated operational costs across millions of monthly transactions.
- ▶ Applied progressive disclosure and behavioural UX design to a Mobile-First UITF investment platform (IBM, Dec 2019–Nov 2020), driving strong growth in first-time investor adoption and ₱2.1B in new AUM within six months of launch.
- ▶ Established an enterprise-wide Design System adopted across multiple product teams, significantly reducing design-to-development handoff time and improving consistency at scale.
- ▶ Leveraged AI tools (Claude, ChatGPT, Copilot) to identify and validate UX use cases, surface user insights, and manage and prioritise backlog items in Agile delivery pipelines — accelerating discovery-to-delivery cycles.
- ▶ Championed evidence-based UX research culture across organisations, introducing structured research practices and presenting design strategy at executive leadership level.
- ▶ Contributed to business development at a global consulting firm, scoping and authoring proposals that secured new enterprise client engagements.
- ▶ Achieved WCAG 2.1 AA accessibility compliance across all shipped digital products, including inclusive design patterns for elderly users and full screen reader support.
